

2021 Child Tax Credit (CTC)

Sign-up Guide for Non-filers

July 7, 2021

This guide is meant to help you successfully complete the Non-filer Sign-up Tool to get Child Tax Credit (CTC) payments, as well as any Economic Impact Payments (EIP) — also known as stimulus payments — that you may have missed.*

Who should use the Non-filer Sign-up Tool?

People who:

- Had gross income at or below \$12,200 (\$24,400 for married couples) for 2020
- Lived in a U.S. state, the District of Columbia, or a U.S. military base for most of 2020
- Did not file a tax return for 2020
- Do not plan to file a tax return for 2020
- Were otherwise not required to file a federal income tax return for 2020
- Cannot be claimed as a dependent on someone else's tax return

*** This guide is intended to help you fill out the Non-filer Sign-up Tool. This is not tax advice.** For official guidance about the Non-filer Sign-up Tool, please see the Revenue Procedure 2021-24 from the Internal Revenue Service (IRS) at <https://www.irs.gov/pub/irs-drop/rp-21-24.pdf>

For more information, visit [irs.gov/childtaxcredit2021](https://www.irs.gov/childtaxcredit2021)

Not sure if you should use this form or file a full 2020 tax return? Use the IRS Interactive Tax Assistant tool: [Do I Need to File a Tax Return?](#)* It asks a few basic questions to tell you if you need to file a 2020 tax return.

Before you start

You'll need the information below when you fill out this form. Please have it ready before you start:

- Social Security Number or Individual Taxpayer Identification Number (ITIN) for you and your spouse (if you have one)
- Social Security Numbers for your children
- A reliable mailing address
- An e-mail address
- Your bank account information (if you want your payments sent straight to your bank account by direct deposit)

You will not need a 1099 or W-2 to sign up.

If the Internal Revenue Service (IRS) sent you an Identity Protection Personal Identification Number (IP PIN) in the past, you'll need it to use this tool. If you lost it, use the [Get an IP PIN](#)** tool to get your number back.

** Get an IP PIN tool:

<https://www.irs.gov/identity-theft-fraud-scams/get-an-identity-protection-pin>

Ready? Let's go!

-  If you were married at the end of 2020, you and your spouse should only fill out the form in this Non-filer Sign-up Tool once together.
-  If you have a child born in 2021, do not list them on the form at this time. The IRS will release further guidance about how to get the Child Tax Credit for them at a later date.
-  This form will probably take at least 20 minutes to finish.

Welcome

Step 1: Fill out your tax forms

Filling out this simplified tax return will help you get 2021 Child Tax Credit (CTC) payments.

The Child Tax Credit (CTC) does not count as income for any family, so you won't lose your other government benefits by signing up for CTC payments. They do not affect your eligibility for other federal benefits like SNAP and WIC.
